✨How to improvise to the enchanting sounds of authentic tango?
🎶👀this is a completely different music, not the European tango that you are used to hearing.

In the beginner's course, you will learn the basic steps of Argentine tango, Creole vals and milonga. All the dances we dance at tango-parties (milongas) in Vienna and around the world.
Price:
1 Lesson: € 15.00; monthly subscription: € 108.00

Registration to the group in couples, so that “takes two to tango”.
However, if you haven't partner yet, write to us - maybe we know who is kidding the couple.
