Pablo Inza + Sofia Saborido - Performance

After decades of teaching and performing around the globe in the most important tango festivals Pablo and Sofia became an international point of reference in the tango scene.

Their professional path made of back and forth trips between Argentina and the rest of the world as well as their expert point of view about the dance are widely appreciated in the tango communities. Refined pedagogues, performers, choreographers, actors, etc Pablo and Sofia are two accomplished artists who partnered in 2013 creating one of the most renowned couples that Argentin tango presently has.

**HYPERION ENSEMBLE**

Hyperion Ensemble was formed in 1992 as ensemble interested in contemporary music. From the very beginning, it has been deeply interested to the Piazzolla repertoire and to Tango in general. Hyperion has taken part, during its 30 years of activity in over 1200 shows, festivals and theatres all over Europe, offering a wide repertoire ranging from contemporary Tango to traditional Tango. Since its foundation has collaborated with various renowned bandoneonists such as Luis Stazo, Juan Jose & #768; Mosalini, Daniel Binelli, Alfredo Marcucci, Jose & #768; Luis Betancor, Victor Villena; the regular bandoneonists in the Ensemble are actually Nicola Maceratesi and Gino Zambelli, while the singers are Argentinians.
