Amerlinghaus (Stiftgasse 8, 1070 Wien)

We had a blast on our first edition at this location and are very much looking forward to the second!!

Milonga Itinerante means this milonga has varied locations and I&#39;m so excited that the wonderful Amerlinghaus joined our program!

Find us in the Galerie (upstairs from the inner patio).

"Tradition is not to worship the ashes but to transmit the fire".

I promote bridging tango argentino tradition with awareness of being in the XXI century.

If you&#39;ve been to our previous milongas you already know our motto: Come as you are! With or without a dance partner, solo or with friends, beginner or experienced, dancing the role(s) you want, wearing what makes YOU feel good. All combinations are welcome!

Respect and consent are the rules. Just bring good vibes and an open mind to co-create a welcoming space for all.

If the "mixed" music tag is important for you: We mostly dance to fresher versions of the classics, not necessarily the so-called "nuevo" although from time to time there&#39;s a tanda of these.

Updates are always posted on my website, social media and newsletter. Follow Abrazatango to stay tuned on Facebook & Instagram and subscribe to the newsletter at [jessicagerdel.com/#newsletter](https://jessicagerdel.com/#newsletter)

See you there to share a good time together and dancing it all again!

Jessica
