Do you know what is the musical structure of a Tango? How does the use (or not) of musical phrases affect our interpretation? In two hours we will try to work on these issues, as well as beginnings and endings of the songs, with three of the most renowned Argentine tango musicians. Moscato Luna Martin Perdomo Martin Piragino We are going to experiment, create and develop the perception and the use, or not, of the Tango fraces. Use of the pauses, active pauses and more body elements. Two hours sharing styles of the most characteristic orchestras, ways of living and dancing tango.

Musicality class focused entirely on dancers, without working on musical scores or complex theoretical schemes. sign up sending an email to: info@jt-tango.com fee: 25€/ person

Due the room capacity we must to limit the group to 15 couples
